1. Determine Group Size

It's amazing to see how children view themselves in the world and with this fun event you'll have the chance to capture it for all to see. After sketching their friends for practice, your group will be ready to draw their very own self-portrait on specially designed Self-Portrait Sketch Sheets. Indicate here the number of Sketch Sheets needed. If you run short after you've started, simply photocopy an original.

2. Establish Parent Prices

of Classrooms: # of Sketch Sheets:

Review your net costs found below, determine your mark-up (if any) on each self-portrait item, then calculate your parent prices, Raise funds or simply pass your cost on to your parents. We'll print these prices on all Parent Order Forms so you can distribute them right away. Please indicate the number of Parent Order Forms you need.
